APPENDICES FOR

**THE PROGRAMMING COMPONENTS AS SEEN
BY THE COMMUNITY**

DATE: JULY 2002

PREPARED BY: BRIAN STEWART

Each discussion group table were given a questionnaire to complete. The messages to the Minister were poniard and their remarks have been spread throughout the report. The second attribute from the evaluations was a review of the night's events and the materials, which were distributed. Comments regarding meeting accommodations reflected the unexpected numbers of participants resulting in a less than ideal meeting place. The information found in Appendix C, D and E have been gleamed from the evaluation sheets.

MESSAGE TO MINISTER OVERALL PROGRESS

Keep up the good work

It was a pleasure meeting you

*Excellent work to keep up with white paper and we hope
to see better future, making lives better for all of us,
Manitobans with disabilities*

*Keep up the great work on such a hard topic and hard
decision making*
